About Us

We are an international freight forwarder agent with more than 11 years of experience in the peruvian market. We have dedicated more than a decade to offer the best services in logistic supply chain and all the activities related to the foreign trade industry.

Air, ocean, and land freight is our speciality.

Our responsibility is to efficiently manage all the stages of the supply chain of your goods so that they can reach their destinations in the best conditions and before their established deadlines.

Vision

To consolidate ourselves in the international market as a logistics operator and be recognized for the excellent quality of our multimodal transport services delivered on time and with fast solutions to any circumstances.

Mission

To offer our clients practical and effective solutions in their respective logistics operations easing the transport of goods from and to any part of the world having high standards of quality and the systematization of information as our corner stone.

Values

Quality: In each of our projects and assignments that we perform.

Justice: To all our workforce; from the way we treat each other to the activities assigned taking into account the set of talents that each one of them has.

Innovation: Neverending of our strategies and work plans.

Punctuality: Regarding the jobs assigned and that they should be informed and turned in in the least matter of time possible.

Coherence: In the compromises we share with our clients and the ones we have in our jobs.

Communication: Constant and effective; between all the staff, clients and agents of destination.

Confidence: In that we perform our assignments in the best of our means with the end to satisfy each one of our clients and agents.

Compromise: With our clients, giving them a high quality service, with society, with our clients, giving stability to the families of our workforce, and with the environment, when we respect and fulfill all the established policies of our agent for its preservation.
